

LOGISTICS, TRANSPORTATION AND TRADE DIRECTORY

The **ITGO Logistics, Transportation and Trade Directory** will feature private, public and not-for-profit resources in the bi-national Buffalo Niagara region, or national companies doing business in the Buffalo Niagara region. The directory will provide a searchable reference on ITGO's web site, and will be able to be printed for real-time distribution, as well.

ITGO will use the **Logistics, Transportation and Trade Directory** as a resource in its role as "one-stop shop" for moving freight into, from and through the binational Buffalo Niagara region. The Directory will be marketed regionally, through ITGO's relationship with the Port of New York and New Jersey, in Southern Ontario and the GTA, through search engine marketing and on National Grid's shovelready.com
